

Dear Patients,

Online COVID-19 vaccine bookings via our patient portal for Highland Park Medical Patients

For patients and household members that are not already booked for, or have not had, a COVID-19 vaccine

We have opened up additional COVID-19 vaccine appointments at our Highland Park vaccine clinic starting **this week**. These will be available for you to **book via our portal on line**.

For those registered on our patient portal:

1. Log into the myndici portal on your device or myindici.co.nz
2. Click on **Appointments**
3. Choose **Book with : Nurse**
4. Choose **COVID 19 Vaccine Clinic B or A** from the dropdown menu, **check both clinics. (note - check COVID 19 Vaccine Clinic B first re appointments for next week)**
5. Select a **Day or Next Available Day**
6. Click on **appointment time** and confirm your choice
7. PLEASE make a note in the **Reason** area to tell us that this is your **first or second vaccine**.
8. If this is your **first COVID-19 vaccine**, you can book your second COVID-19 vaccine, due in 6 weeks time, by going forward 6 weeks in the calendar and booking **another COVID-19 Vaccine Clinic** appointment. Check **BOTH** COVID-19 Vaccine Clinics - note predominantly A clinic for bookings 6 weeks ahead.
9. **PLEASE ONE person per appointment time.**

If you would like to **register on our patient portal** email us: portalregistration@highlandpark.co.nz

You can also phone us at Highland Park Medical on **09-535-8095** and book your and your household's COVID-19 vaccines for all people 12 years and over. We will continue to open up more online appointments as we are able.

Doctor update at Highland Park Medical

We are also updating you on Doctor changes at Highland Park Medical. Sadly, Dr Claire Han is moving to the North Shore with her partner as they have bought a house over on the Shore. Traffic and travel time won't enable her to continue the medical care for her group of patients here at Highland Park

Medical. Dr Han is finishing with us at the end of August. We would like to thank Claire for her year with us and wish her and her family all the best for their new endeavours. We will miss you Claire.

For Dr Han's patients, the Doctor, Nurse and Administration teams are here to continue to provide you with your primary healthcare needs.

We also would like to introduce **two new doctors** joining our team.

Please join with us in welcoming **Dr Oumer** to the team at the end of September. Dr Oumer joins us from Starship and Auckland Hospital. He has extensive clinical and surgical experience including Senior Medical roles in NZ and England. He is a father of 5 and enjoys hiking and enjoying the outdoors with his family. He will be available 5 days a week and Thursday evenings. With his extensive surgical experience, Dr Oumer will be running surgical clinics for smaller surgical procedures for skin lesions and alike.

Please join us in welcoming back Dr Joyce Leung. Dr Leung was with us earlier this year as she undertook her training on the Specialist General Practice Vocational Training Programme. We are thrilled to announce we welcome her back in a permanent full time role with our practice at the end of January next year. Joyce has grown up in our area and a passion of hers is to provide the highest level of care for the people in her local community. Joyce, we are thrilled you have chosen us to continue in your General Practice medical career!
